

Data privacy statement

Protecting your personal data is particularly important to us. We therefore process your data exclusively in compliance with legal provisions (European General Data Protection Regulation (GDPR), Austrian Telecommunications Act 2003 (TKG 2003)). This data protection information covers the most important aspects of data processing in connection with our website.

Contacting us

When you contact us using the website form or by e-mail, we will save the data you specified for a period of 24 months for the purpose of processing the inquiry and for answering any follow-up questions. We will not pass this data along to third parties without your consent.

Safety of your data

We take all required technical and organizational security measures to safeguard the personal data you provided to us against access by unauthorized third parties. It is advisable to send highly sensitive data or information by surface mail, because complete data security cannot be guaranteed for e-mail messages.

Your rights

You are generally entitled to the rights of disclosure, correction, deletion, restriction, data portability, withdrawal and objection. Simply use our contact options. You may contact the supervisory authority if you believe that the processing of your data violates data protection law, or if your rights under data protection law have been violated in any other way. In Austria, this is the Austrian Data Protection Authority.

You can reach us using the following contact details:

ZwickRoell Testing Systems GmbH
Flugplatzstraße 5
8280 Fürstenfeld
Austria

Tel: (+43) 3382 54060 0
Fax: (+43) 3382 54060 27
E-Mail: info.at@zwickroell.com

Changes to these data protection provisions

We will occasionally update these guidelines to protect your personal data. You should read these guidelines from time to time to remain up to date about how we protect your data and continuously improve the content of our website. By using the website, you consent to the conditions in these guidelines to protect personal data. Please contact us using our contract form if you have any questions about these data protection provisions.
